

Letters to the Library

Describe yourself in a sentence or two, for example your age and occupation (or, if you do not have one, what you like to do). What is your household like?

S, age 11, I like playing with Legos and Pokémon and video games. I live with my Mom, Dad, and younger brother.

What is your day to day routine like now? What has changed? What has not changed?

I have been staying home and doing Zoom meetings with friends and online classes. I am homeschooled, so I am used to staying home for my lessons. But we used to go to places like the park, the beach and museums with friends.

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

I have been washing my hands and sneezing into my elbow. We couldn't buy napkins, so we sewed our own. We also ran out of potato chips.

What have been the biggest challenges for you during this time?

I missed playing with my friends and going to the library.

How have you stayed busy?

I was reading my books and playing Pokémon TCG.

Have there been any positives to this situation?

I was playing on a friend's Minecraft server.

What local Wallingford places/businesses do you miss most?

I miss the library and my church the most.

How have you stayed social while social distancing?

Thank God for Zoom!

What is the first thing you are doing when things go back to normal?

I am going to the library.

How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?

We used Zoom for Easter. On Mother's Day we drove around and brought gifts to my grandmothers.

How will you be celebrating Wallingford's 350th Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?

N/A

What do you miss most about the Wallingford Public Library? What is the first thing you will be doing when you can come back into the building?

I miss the books. I will be checking out books soon, hopefully.
