my day to day routine is still pretty normal except for the fact that it's muscle memory for me to bring a mask anywhere I go.

**What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?**

masks, had washing and social distancing. A difficulty at the very beginning was a shortage of paper towels.

Keeping all of my friends positive and supported.

All of my sports and activities

## **Have there been any positives to this situation?**

I've realized how important it is to have good health and how lucky I am to have the things that I do. I've also realized many things about myself because of all the time alone.

Texts, calls and google meets.
