I am a ten year old girl that goes to Hamden Hall with a black cat that loves to bake.

What is your day to day routine like now? What has changed? What has not changed?

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

Of course we went out and got masks we have been doing a lot of zooming and been visiting our grandma less on the weekend. We also have a small box of necessities in case of another lockdown. My mom and grandma are vaccinated.

What have been the biggest challenges for you during this time?

The biggest challenge is definitely masks. They cut into my ears which my glasses do enough of . We also have to sanitize a lot which is hard because I am a very messy person.
