What is your day to day routine like now? What has changed? What has not changed?

I get up and take the bus to school. The only differences are THE MASKS, SOCIAL DISTANCING, MORE HAND CLEANING (none of these I like but are good for me and my family's safety)

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

At stores my parents said toilet paper is CRAZY to find

What have been the biggest challenges for you during this time?

Definitely wearing the masks and worrying about my mom because she is a health care worker and I don't want her to get sick.

How have you stayed busy?

I got an I pod so I call and text my friends because I can't go out and see them. I also enjoy art reading soccer lacrosse horse back riding girl scouts and movie making with my little sister.

Have there been any positives to this situation?

yes When everyone quarantined nature has gotten healthier so has animals and air and the whole planet. P.S I LOVE animals.

What is the first thing you are doing when things go back to normal?

HAVING THE BIGGEST BEST PARTY EVER WITH ALL MY FRIENDS!!!!!!!!!!

How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?

Only a pretty small handful of family came to celebrate.

How will you be celebrating Wallingford's 350th Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?

I wasn't born:(
