

# Letters to the Library

**Describe yourself in a sentence or two, for example your age and occupation (or, if you do not have one, what you like to do). What is your household like?**

Im 10 years old. I overthink a lot so this pandemic has been hard for me. I don't have an occupation but I like gaming a lot.

**What is your day to day routine like now? What has changed? What has not changed?**

Something that has changed in my daily routine is at 9:00 I log on my computer to do distance learning. My school day ends at 12:50-ish.

**What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?**

My family doesn't run low on anything a lot, but the food does disappear fast because there are 5 people in my family (including me) (we still have enough to feed everyone and last a long time but me and my sibling like to snack a lot)

**What have been the biggest challenges for you during this time?**

wearing a mask everywhere and not seeing my friends as much

## **How have you stayed busy?**

Playing video games and face timing my cousins and friends

## **Have there been any positives to this situation?**

I can still see my friends just not as much

## **What local Wallingford places/businesses do you miss most?**

I can't think of any that I miss

## **How have you stayed social while social distancing?**

Meeting with only like 2 different friends (not at the same time) or face timing my friends

## **What is the first thing you are doing when things go back to normal?**

I don't know yet because I'm so used to the new world with COVID

**How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?**

I see my best friends family and her because they are the only people we really hang out with

**How will you be celebrating Wallingford's 350<sup>th</sup> Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?**

N/A

**What do you miss most about the Wallingford Public Library? What is the first thing you will be doing when you can come back into the building?**

What I always do, just get some books. I don't go that much because I have a lot of books at home so I don't know what I miss
